SHORE EXCURSIONS

Quick Getaways: Almería, Gibraltar & Tangier

Cross two continents in four days, threading through three countries via one of the world's most storied straits. Trace the Strait of Gibraltar's ancient crossroads of empires, where Spain, Britain, and Morocco sit within sight of one another — best explored in the quieter seasons when the Mediterranean sun is warm but gentle and the medinas breathe easy without the summer rush. Wander Málaga's sun-bleached streets, birthplace of Picasso, before setting sail. Dock in Almería, where the Alcazaba, Andalusia's second-greatest Moorish fortress, crowns the hillside above the sea, or head inland to Granada, where the Alhambra's tiled courtyards and reflecting pools rival even that storied citadel. Watch for Barbary macaques scrambling the limestone face of the Rock of Gibraltar before making the short but remarkable crossing into Africa, two continents connected by a single strait, where Tangier's centuries of Berber, Arab, and European influence converge in a labyrinth of medina alleyways scented with mint tea and cumin.

SHIP INFORMATION

Wind Spirit

THE WIND KNOWS THE WAY

Go where the wind takes you and experience the romance, tradition and modern comforts of sailing aboard our three classic Wind Class yachts. Wind is more than a name. It fills our iconic sails and powers us forward to unimaginable and seemingly unreachable places. From the newly renovated Wind Surf, the world's largest sailing vessel carrying up to 342 guests, to the Wind Star and Wind Spirit carrying just 148 guests, each is perfectly sized to pull into secret lagoons and dock at secluded beaches. Each represents a refreshingly different way to cruise. Stretch out in gracious ocean view staterooms, stroll the polished teak decks and watch for admiring glances as your yacht glides into one magnificent port after another with tall white sails announcing your arrival.

The way to service from the heart. We call them Windstar moments and they're created by a crew that considers hospitality a calling, not just a job. While you are not a number, our 1.5 to 1 guest-to-crew ratio make acts of personalized attention and recognition a daily occurrence. Simple gestures like remembering your name or recommending a favorite, must-see location ashore isn't just what we do. It's how we share our joy of cruising.
