INTRODUCING
STAR
EXPLORER'S
2027 INAUGURAL SAILINGS

Star Explorer

A NEW KIND OF MEDITERRANEAN EXPERIENCE

Be one of the first to sail aboard our newest all-suite yacht during Local Season — the fall and winter months when the big ships leave, the air turns mild and locals are out enjoying their cities.

With just 224 guests and a private veranda or floor-to-ceiling infinity window in nearly every suite, Star Explorer makes iconic destinations like Venice and Barcelona feel personal.

And with rare calls in cities like Naples and Genoa — only available during Local Season — this isn't just a new yacht. It's a fresh way to experience one of the world's most historic regions.

Stroll through Europe's festive Christmas markets. Enjoy overnight stays in cities like Barcelona, Venice and Livorno — the gateway to Florence and Pisa. Attend winter festivals like Venice's Carnevale and Greece's Epiphany. Explore destinations we only visit during Local Season, including Naples and Genoa.

And do it all at your own pace, as if you're on the only yacht in port.

The way to service from the heart. We call them Windstar moments and they're created by a crew that considers hospitality a calling, not just a job. While you are not a number, our 1.5 to 1 guest-to-crew ratio make acts of personalized attention and recognition a daily occurrence. Simple gestures like remembering your name or recommending a favorite, must-see location ashore isn't just what we do. It's how we share our joy of cruising.
